

## 2021- Building on a solid foundation for a New Year

As the New Year gets underway, it gives us an opportunity to think about what our faith and Christian life will be built upon in the coming year. I am grateful to Ross Swadling for providing some thought provoking questions and reflections on Matthew 7:24 – 27. I hope you will be challenged and encouraged – Ian.

**Pray:** Heavenly Father, thank you that you are a God who has spoken and revealed yourself through your Son, our Saviour Jesus. Lord open my eyes, ears, mind and heart to hear and understand, and apply your Word. In Jesus' name I pray. Amen.

**Matthew 7:24 – 27:** Jesus said: "Therefore everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock. The rain came down, the streams rose, and the winds blew and beat against that house; yet it did not fall, because it had its foundation on the rock.

But everyone who hears these words of mine and does not put them into practice is like a foolish man who built his house on sand. The rain came down, the streams rose, and the winds blew and beat against that house, and it fell with a great crash."

### Reflect:

Can you name some dangerous things you have done? What about:

- Claiming to be a Christian
- Reading the Bible

Many can be worried about Bible passages they do not understand. However, Mark Twain said, "for me, the passages in Scripture which trouble me most are those which I do understand!"

Jesus condemns "sayers" who are not also "doers". The problem is that, while we may SAY Jesus is Lord, we may not DO things that are consistent with him actually being Lord. So, while it is not our outward appearance that ultimately matters; our behavior, our outward appearance and actions, will reflect the state of our hearts. It has been said that if we want to know what we truly believe, we only need to examine our behaviour.

We all know the story of the house built on rock and the house built on sand. One is sound and one is not. Jesus says that it is the hearing **AND** applying of His word that makes a solid foundation for faith and life.

The problem is that precisely because much of our response to God's word is internal and unseen, it is easy to neglect. However, if anyone was to come to church drunk, it would be obvious to everyone. However, nobody may know if we have prayed lately, or read our Bibles, or given generously, or shared the Gospel.

We may be "hearers". We may have heard the Word. Will we seek to take Jesus' words and put them into practice? Will we build a solid foundation on them?

"What do I need to do about it?"

"What changes do I need to make in my life?"

"What action do I need to take today?"

If we are "sayers" and "hearers" without being "doers", it will simply show that we do not really know Jesus at all. If you have it, read Oswald Chambers – *MY UTMOST FOR HIS HIGHEST* for 7 January.

Christmas 2020

**2020 has been a challenging year!**

We have had to learn to be Church without gathering together for a time, without singing; and without the usual forms of enjoying fellowship and personal contact. But we have endured.

We have learnt new skills like “social distancing”, Zoom meetings, and on-line worship. But we have been blessed.

**We pray that 2021 will be very different** – for us to meet freely without distancing, to sing for joy to the Lord in full voice, to share in the Lord’s Supper and morning tea without anxieties; and a year of opportunities to worship together, and bear witness to the Lordship of Jesus in our community.

**We hope and pray that we will be able to resume Normal Services again soon – but this will be dependent upon the Public Health Orders issued by the NSW Government – we will endeavour to let you know as soon as we can.**

**Good News Quarterly** will be coming out again in late January. Get your articles to Editor Venessa: [venessac@tpg.com.au](mailto:venessac@tpg.com.au)

**People, Participation and Prayer:** a church isn’t a building of brick and wood. It’s a group of people gathered by God who are building their lives around Jesus. That’s why belonging to church means more than just Sunday services. In this **Newsweek** are some of the things we are doing, events and activities we think are worthwhile, and people and things to pray for. Pray regularly for our Church family.

**Our Congregation prayer gatherings are held weekly – alternating Thursdays at 11.00 am & 7.30 pm – but are in recess until further notice.**

**James 5:16**

*Therefore, confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective.*

**January Mission of the Month:**

**Sydney Central Coast Presbytery Levy:  
A Catalyst for Growing Generous, Inclusive, and  
Courageous Churches**

The Presbytery is the regional council of the UCA which has the responsibility for the pastoral care of the Congregations and Ministers within its bounds, and to facilitate mission and ministry.

The Sydney Central Coast Presbytery extends from north of Sydney Harbour, out to Beecroft, Ryde, and Cherrybrook, and up to the northern end of the Central Coast.

Through our Presbytery Levy we seek to encourage other Congregations in ministry within our Presbytery.
