### March Mission of the Month:

**Training and resourcing our members for mission and ministry.**

Being equipped for ministry is an ongoing and life-long exercise. There are some great courses, seminars, workshops, and resources available for training and equipping people for ministry.

While we have some funds allocated in our Church budget for these, there is always the need for more. We want to make sure that when the opportunities arise, people not hindered to attend courses etc because they can't afford it.

**Would you consider topping up these funds to enable members of our Church to be trained, equipped and resourced for ministry?**
